Loan periods and limits: Books and audiobooks are loaned for 21 days at a time. Patrons may renew items up to three times with the exception of new release adult books and items on reserve for another patron.

Overdue or damaged materials: The party signing this application is solely responsible for all items checked out to this library account. At 2-8 days overdue, the patron's account is blocked, along with all other accounts linked to that household address, until all overdue items are returned and no fees are due. At 30 days overdue, a replacement fee—which may be the full list price of the item—is added to the patron's account, plus a \$10 administrative fee (per card) to cover library costs associated with overdue notices, staff time, and processing of replacement items. For replacement costs paid and not yet deposited, a refund may be given for items returned, with the exception of the \$10 fee. If the household's cumulative item replacement costs exceed \$125, the matter may be turned over to a collection agency or to the Nodaway County Prosecutor's office for criminal prosecution for theft under the Missouri Revised Statutes, sections 570.200 and 570.210. The library's patron database generates overdue notices weekly. Two notifications are sent using the borrower's preferred method of contact. The third notice is mailed. The cardholder is responsible for notifying the library in case of a change of address or contact information.

Signature required: I certify that the information on this application is correct. I accept legal and financial responsibility for materials borrowed on this card issued from this application according to Maryville Public Library's loaning policy.
